**NOTICE OF DETERMINATION OF REVENUE REQUIREMENTS  
(California Code of Regulations Title 23 Section 510 *et seq.*)**

The California Department of Water Resources ("Department" or "DWR") hereby provides notice of its revised determination of revenue requirements for the period January 1, 2017 through and including December 31, 2017. The Department has made this determination of revenue requirements in accordance with California Water Code, Division 27 (the "Act") and California Code of Regulations, Division 23, Chapter 4, Sections 510–517 (the "Regulations").

The Department has determined that its cash basis revenue requirement for 2017 is \$887 million in Bond Charges.

In reaching its revenue requirements determination, the Department followed procedures consistent with those contained in the Act and the Regulations. The Department has reviewed certain matters relating to its August 4, 2016 Determination, including, but not limited to, operating results of the Electric Power Fund as of September 30, 2016 and the results of the Series P power bond refinancing.

On October 14, 2016, the Department issued its Proposed Revised Determination of Revenue Requirements for 2017. The Department provided interested persons with quantitative results from its Financial Model, subject to applicable non-disclosure requirements. Interested persons were advised to submit comments no later than October 20, 2016. The Department did not receive any comments on the proposed revisions to the 2017 Revenue Requirement.

The Department may continue to revise its revenue requirement for the 2017 Revenue Requirement Period given the potential for refinancing the Department's Power Bonds, receipt of settlements from any legal proceedings involving the Department<sup>1</sup> and any other events that may materially affect the realized or projected financial performance of the Power Charge Accounts or the Bond Charge Accounts. In such event, the Department will inform the Commission of these material changes and will revise its revenue requirement accordingly.

This notice is being provided via electronic mail to those persons who received the original notice by electronic mail and by U.S. Mail to every person who has submitted a request for notice by U.S. Mail. This notice is also posted on the Department's website: <http://www.cers.water.ca.gov/>.
